We wish you much success.

The Staff and Board of the YWCA Quincy

YWCA Supportive Housing Program Overview

Our mission: YWCA Quincy is dedicated to eliminating racism, empowering women, and promoting peace, justice, freedom and dignity for all.

Our philosophy: At the YWCA Quincy we believe that everyone has the potential and strength to overcome difficult life circumstances and to accomplish goals that will lead to an enhanced quality of life. The YWCA Quincy is committed to treating each individual in a respectful and compassionate manner while valuing the unique qualities and needs of each family.

What is Permanent Supportive Housing?

Permanent means participants may live in their homes as long as they meet the eligibility criteria.

Supportive means participants have access to the supportive services that they need and want to retain housing.

Housing means participants have a private and secure place to make their home, just like other members of the community, with the same rights and responsibilities.

Fair Housing Act

No person seeking services shall be discriminated against because of race, religion, color, gender, age, national origin, sexual preference or disability. The program complies with local, state and federal laws regarding fair housing and nondiscrimination including but not limited to:

- Title VIII of the Civil Rights Act of 1968
- 1982 Civil Rights Act of 1866
- 1981 Civil Rights Act of 1866
- Rehabilitation Act of 1973
- Fair Housing Act
- Americans with Disabilities Act

Attendance at or solicitation of membership or counseling on the beliefs of an organization (church, union, political, fraternal, etc.) shall not be required for receipt of supportive housing program services.

Eligibility for Permanent Supportive Housing

HUD has established permanent supportive housing eligibility guidelines and each family seeking assistance from our Supportive Housing Program must be determined eligible for services.

The following criterion is necessary to be eligible:

1. One individual of your household must have a disabling condition as defined by 24 CFR 583.5. YWCA Quincy staff will assist you in explaining and documenting “disabling condition” to determine eligibility. Documentation of a disabling condition must be provided by a professional licensed to treat the disabling condition or evidenced by your receipt of SSI or SSDI benefits.
2. You must be deemed homeless as defined by 24 CFR 583.5 under the following two

categories:

- a. Literally homeless-defined as having a primary nighttime residence that is a public or private place not meant for human habitation, or is living in a publicly or privately operated shelter designed to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels or motels paid for by charitable organizations or by federal, state and local government programs) or is exiting an institution where an individual has resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately prior to entering that institution. YWCA staff can assist you in explaining and documenting your homeless status.
 - b. Fleeing or attempting to flee domestic violence.
3. Primary focus for the YWCA Quincy is with female head of households with dependent children, however in accordance with the Fair Housing Act, male head of households or single individuals are also eligible.

Disqualifying Criteria

When determining whether a person is qualified for the SHP, YWCA Quincy will make that determination based on a limited number of disqualification categories. These may include:

- A history of convictions of perpetrated domestic violence.
- Registered sex offenders.
- Other restrictions imposed by federal, state or local law or ordinance. Each case will be reviewed on an individual basis.

Priority for Housing

In the event of a vacancy in our program we will comply with HUD Notice CPD 16-11, and accept the household in the highest position on the prioritization list. YWCA Quincy will use the following as a guide to select families for our housing program:

1. First priority is given to chronically homeless families who have been continuously homeless for a year or more, OR an individual with a disabling condition who has had at least four episodes of homelessness in the past three years.
2. Second priority is given to families fleeing domestic violence who have been denied emergency shelter due to no vacancy.
3. Third priority is given to families who have been in shelter for the longest periods of time. Priority is given to families who have or will in the near future lose their emergency shelter.

Confidentiality Policy

Employees of the YWCA Quincy Supportive Housing Program will not share participant information with anyone outside the project except in specific instances to coordinate the participant's care with other agencies and then only after receipt of appropriate consent form signed by the participant within a specified time frame. In cases of emergency where the participant poses a threat to self or others, the YWCA Quincy staff may be forced to break confidentiality.

Information about participants will not be shared (computerized, file copies, by fax, modem, or any other ways, including spoken communication) except when needed to serve that participant.

Participants sign a Consent Form, which allows staff to share information with other agencies as necessary. This consent can be revoked at any time by the participant.

Prior to being accepted into the YWCA Quincy's Supportive Housing Program participant must:

- Complete a pre-screening application and provide documentation of eligibility that includes proof of your homeless status and disabling condition. Definitions of homelessness, eligibility requirements and documentation requirements from HUD will be explained to you one-on-one.
- Must have custody of your children and they must be under the age of 18. Exceptions are on a case-by-case basis and require approval from our HUD field office.
- Make other living arrangements for children over the age of 18 unless they have a documented disability which impedes the household's ability to procure or maintain housing.
- Review and accept the YWCA Quincy's Supportive Housing Program handbook and sublease.

All participants are asked to do the following to benefit the most from the program:

- Participate in all meetings with YWCA Quincy staff. Meet regularly with the YWCA case manager in order to establish a service delivery plan within the first five days of program entry and review at 30, 60, 90, 180 day intervals. Meet at least twice per month with your case manager.
- Participate in supportive services provided and outlined in your service plan.
- Continue to meet daily, weekly and/or monthly with YWCA Quincy staff for on-going review and modification of the plan. How often the meetings take place will be determined by you and your case manager.
- To seek employment, community service, enroll in job training; pursue an education, apply for SSI, TANF, child support or a combination of these activities within four weeks of entering the program. Our program encourages all participants to pursue an education and/or career opportunities regardless of your disabilities.
- Undergo a Mental Health Evaluation and/or Substance Abuse Evaluation within 30 days of entering the program to determine appropriate services.
- Actively participate in domestic violence education and/or counseling within 30 days of entering the program and to continue if you included this in your service plan.

- Contribute 75% of all your net income to settle current expenses, personal debt, then contribute to a savings (sources of income include but are not limited to wages, SSI benefits, TANF, child support, income tax returns).
- To submit to random drug and alcohol testing as requested by YWCA Quincy staff for the sole purpose to measure progress. We understand those in recovery may test positive. The results will be used to determine level of supportive services needed to address your substance abuse issues and individuals will not be given a violation if they test positive.
- Follow the service plan developed by participant and YWCA staff.
- Develop a needs-versus-wants budget and work to improve your financial literacy skills.

- Work toward the goal of increased income.
- Attend financial literacy education.
- Inform YWCA Quincy staff regarding any changes in employment, financial status, or any other changes that will impact your ability to participate in the program including custody of your children.

- Use care not to operate electrical appliances near water sources.

Outside

- The outside of your dwelling is also your responsibility. Keep your family's items picked up. Toys, bikes and outdoor items should not be left on the sidewalk or laying in the yard. Leaving your possessions out could lead to theft and also presents a safety hazard to pedestrians and impedes lawn mowing.
- Outside toys should be stored in an outside storage unit if available.
- If you smoke, place all cigarette butts in an ashtray or other fireproof container, not thrown on the ground.

Requesting Repairs () Initial to agree

If you need assistance with an item in the dwelling please call your case manager. If an emergency occurs, contact the Executive Director at 217-592-3792.
